APPEAL FOR CONTRIBUTIONS TO THE RE-STRUCTURING OF THE PUBUDUWA STAGE

Dear Brothers and Sisters,

We are sure that you are aware that the Kithu Dana Pubudwa as the Apostolate of Renewal in the Catholic Church will be celebrating its Golden Jubilee in the year 2021. We have after prayerful discernment, decided to undertake to make certain essential structural changes to the “Prayer Stadium” at Sri Prasansaramaya where we hold our Annual Pubuduwa feast on the Feast of Pentecost.

The first step in this renovation project will focus on ‘the stage’ which is from where the Annual Rally is directed. A committee has been appointed to look into the details of the re-building of the stage. It has been decided that the structure will be planned and built based on fulfilling a dire need rather than a show of extravagance. Still for all the cost will be beyond our means if not supported by you. So we make this appeal to you to be a generous contributor to this worthy cause.

We thank you in anticipation of your generosity. Please forward your contributions to: Kithudana Pubuduwa Account No.316100134565082 at People’s Bank, Ragama.

Thank you & May God bless you,
